CODE OF CONDUCT

Welcome to this facility. Our goal is to provide you with a safe and pleasant atmosphere for your recreational enjoyment. Please assist us by adhering to the following standards:

1. Do not lay a hand upon, punch, shove, strike, physically or verbally abuse or threaten any staff member, or any other individual.
2. Do not use any vulgar, profane, obscene, or racist language.
3. Do not smoke in the facility, or eat or drink in the gymnasium or dance room. Help us keep our facility clean and safe.
4. Do not enter this facility or surrounding grounds while under the influence of any form of drug or alcohol.
5. Do not act or use equipment in an unsafe manner.
6. Follow all other rules of the facility and requests of staff members.

We request that you respect this facility and the rights of others by following the above standards; failure to do so may result in removal from the facility and loss of future use privileges.

During the regular season and playoffs, every player must play a minimum of two (2) complete quarters from start to finish and sit out one (1) complete quarter from start to finish.

- A. If a coach only has seven (7) players eligible/available for a game, the following rules will apply:
 - 1) Four (4) different players must sit one complete quarter each.
 - 2) The opposing coach will select two (2) players that the 7-man team must sit out.
 - 3) If a coach fails to notify the officials and the opposing coach prior to the beginning of the game, the opposing coach will then pick the players at the time he/she notices the oversight. If it is not noticed until after the second half has started, the game will be declared a forfeit.
- B. Exceptions: A player may be taken out early due to injury or ejection. Injured players may return to the game. The player's replacement must be of equal ability of the player taken out at the discretion of the officials or Site Coordinator. The injured player will not be penalized; however, the replacement player will not be credited with a full quarter played or a full quarter sat out.
- C. Site Coordinator will make all final determinations should unusual circumstances cause the playing rules to be compromised.

All coaches are encouraged to do the following:

1. Start every player at least twice during the season.
2. Play every player in the 4th quarter at least twice during the season.
3. Have every player play 3 full quarters at least twice during the season.
4. Have every player play just 2 full quarters at least twice during the season.

THANKS FOR YOUR COOPERATION!
